**FEMA Presentation**

Ms. Luisa Rivera, FEMA Intergovernmental Affairs Specialist, addressed the Council and public on the assistance that FEMA can give to those that register. She stated that the only way you will know if you are covered is to register. She stated that the declaration date was October 14<sup>th</sup> and that you must register by December 13<sup>th</sup>. She spoke of individual insurance coverages and how some things may not be covered and again how important it is to register. She stated that registration could be done by internet, phone or at the disaster recovery center set up at 544 Howell St. She gave the web address – [disasterassistance.gov](http://disasterassistance.gov) and the phone number 1-800-621-FEMA. She spoke briefly of renter coverage (loss of personal property.) She spoke of cost (loan) of repairs and that FEMA partners with the SBA and how going through them more funding may be available than funding from FEMA. She spoke of how if unable to get the loan funding with the SBA then FEMA funding (grant not having to be paid back) may be available. She stated that if you choose not to take a loan from the SBA then FEMA cannot help. She stated that the FEMA grant funds are for essential needs to make your home safe. She ended with stating again to register and follow the process.

**SBA Presentation**

Camilla Dillard and Florenco Ramina address the Council and Public on how their organization can help the public. Ms. Dillard stated that they offer low interest rate loans.

Mr. Ramina stated that these loans could be for 30years. They spoke of those who can get assistance. They stated that it takes 7-10 days to process and 5 business days for approval. They stated that the loan does not have to be taken and the option is out there to defer the first payment and that repayment does not have to start for one year. They gave ways to apply in person and online. They stated that no one will be forced to take the loan it is just another option.
