

Blakely City Council Minutes

Work Session
June 1, 2021, City Hall, 5:00 P.M.

- I. Uniform Presentation
Several uniform companies (Cintas, Unifirst and the City's current company Aramark) gave presentations on the services their companies offer. Each company spoke on tracking methods, mending damages and cleaning methods. All companies stated that they have FR & high visual products. They also have shorts options. They all stated that they also have straight purchase options. Cintas and Unifirst both stated that they have warehouses in Dothan, AL.

- II. Rodney Dill spoke to the Mayor and Council regarding supplying gas to Georgia Pacific. He explained the prepaid option if the City chose to enter into the agreement. He explained that some industries want to take advantage of this service, though short term, through municipalities because they can get gas at wholesale cost. Rodney spoke of the responsibilities of the City and the benefits to the City. He informed the Council that Georgia Pacific would provide a letter of credit due to the monthly cost. He also spoke of the contract the City would have to enter into with the customer and the Ordinance that would have to be passed to enter into the contract. He stated that the final drafts were close to completion.
